

EMB CONDUCTED EXPERIENCE SHARING SEMINAR WITH LGUs

The Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources, through the Environmental Compliance Assistance Center (ECAC) conducted an experience sharing seminar with the Local Government Units (LGUs) last March 11, 2015 at the Hotel Dominique, Tagaytay City.

In the past year, ECAC has aided LGUs in strengthening their environmental compliance through a series of capacity development workshops. This year, ECAC aims to increase the effectiveness of said workshop through an experience sharing seminar where ECAC will provide the platform for sharing good environmental practices.

Resource speakers from the Department of Health, EMB Climate Change Office, Development Bank of the Philippines, and representatives of Marikina City shared their experiences in the seminar. Other topics discussed were new technologies and innovations necessary in the compliance of environmental laws and regulations, the process of obtaining financial assistance for LGU projects, and mainstreaming Climate Change Adaptation in their communities.
