

## **PEPP HELD A 2-DAY FOCUS GROUP DISCUSSIONS ON THE REVISION OF DAO 2003-14**

The Environmental Management Bureau is currently revising DAO 2003-14 (Philippine Environment Partnership Program). To solicit comments and suggestions for the enhancement of the PEPP Policy and Supplemental Guidelines, two (2) FGDs were conducted with the PEPP Track 1 and 2 Participants, EMB nearby ROs and Partner Agencies (DBP, LBP, DOST) on August 05, 2016 and August 08, 2016 at the EMB-Air Quality Management Training Center.

Ms. Michico Venus A. Navaluna, PEPP Head, conveyed to the attendees that in the light of new environmental laws and policies issued after 2003, there is a need to update the PEPP Policy and Supplemental Guidelines. The outcome of the FGDs will be used in revising the PEPP policy and supplemental guidelines.
